2.Interactive and Visual Elements:

- **Navigation Bar:** A sticky navigation bar is included on each page, making it easy for users to jump to different sections.

- **Hover Effects:** Many elements, such as the images in the work experience and skills sections, feature hover effects that provide interactivity.
- **Responsive Design:** The website adapts to different screen sizes, ensuring usability on both mobile and desktop devices.
- **Font Awesome Icons:** Icons are used for social media links and in the skills section, making the page visually engaging.
- **GIF Album:** A section dedicated to Ayoub's favorite GIFs offers an interactive visual experience.
